Hello All Star Families!!

We are so excited for our upcoming show!! We know it's a lot of info, but it's the only way to keep our families organized and safe!! We will be sending out specific 'day of recital' information over Memorial Day Weekend!! Just so you can plan, please know that your dancer should be checked in 45 min before show time on May 31st. A few important things to keep in mind about tickets and entering the theater:

- **Show 1:** 10am (Check in dancers at 9:15am) **Show 2:** 12:30pm (Check in dancers at 12pm) **Show 3:** 4:30pm (Check in dancers at 3:45pm)
- Tickets are \$22 each with fees included (\$30 at the door). Refunds within 24 hours of purchase only. No refunds in last 24 hours before the event.
- Anyone that can hold a seat down on their own must have their own ticket. Basically 2+ yrs (Queens College Rule) For other theater rules: <https://kupferbergcenter.org/faq/>
- If you are going to multiple shows, you need tickets for each separate show. We need to know exactly how many people are coming to each show to avoid over-selling and the theater needs to be completely cleared out between each show.
- Volunteers DO NOT need a ticket.
- All dancers must stay for the entire show unless previously given permission with a note. No further permissions will be granted unless it is a medical emergency at that time. Proof must be shown. If you come to the backstage area to try to take your child early, you will be turned away. This is for safety and security reasons.
- **Exception to the above rule: 3-4 year olds in the 3rd show need to be picked up at intermission and taken into the audience. Those dancers and class parent volunteers won't need a ticket, but have your group save you a seat so you can watch the 2nd half! The little ones will greatly benefit from watching the older dancers perform!**
- Seating is general admission and not This was also demanded by Queens College, no matter how much we tried to fight it. Please do not arrive crazy early to line up. The theater is amazing and all of the seats are great!! I've attached a picture below so that you can have a better idea.
- There is not a limit to how many tickets you can buy, but refunds within 24 hours of purchase only, so please make sure you have someone for each ticket before purchasing.
- All tickets will be e-tickets on your phone and scanned at the theater door. Please print them out just in case. Any duplicate QR codes will be rejected.
- Tickets will be available in the lobby but will be cash or Venmo only and require exact change. We have no ability to run credit cards onsite and will not charge your account on file.
- The link to order tickets starting **Tuesday, May 26th at 7pm** and ending May 30th at 6pm is: <https://buy.tututix.com/allstarstudios> Please read before you click to buy your ticket and make sure it's the correct show. An example of how the site will look is pasted below.
- If there are any issues with your tickets, please do not contact the studio, but call TutuTix customer service at 1-855-222-2849 option 5.
- Recital Show Orders: These will come out closer to May 31st. If we release the schedules too early, families try to make other plans and leave before the show is over. This is not good for us ensuring the safety of the children, it's not fair to the dancers or other audience members when people are continually getting up and leaving, and then the dancers miss the finale!!! The only people that really need the order ahead of time are the students in multiple classes so that they can plan out the order of their costumes. We will send it out early enough for them to make a plan for that and for families to be able to share it with people that cannot attend the actual show so that they can watch it on the livestream! The livestream link will also be given out with the recital show orders but will not be available until the day of the show.
- If you didn't get your pictures at rehearsal, Donner will be coming to the studio on **Tuesday, June 2nd from 3:30-7:30pm on the 3rd floor.** Online options will be available after June 2nd, but prices will be more expensive online. It's okay if you don't have your card, it just takes a little longer to find your family's pictures.
- FALL SCHEDULE 2026-27 -Will be out and ready for registration on June 8th at 8pm.

We are so excited!!! All of the info is and will be on our website: <https://www.allstarstudiosnyc.com/recital2026>. All details are also posted on the studio walls and you can see emails that we've sent you through your parent portal!

Thanks,

:)Rysa
