Print out the schedule and highlight their class(es) to help with any costume changes. Make sure you have the proper tights/shoes/accessories and supplies for hair changes. Help will be provided but not supplies!

- **Parking and Elevator Access:** Lot 15 South will be open for parking. As in the past, those requiring an elevator, will be able to enter into the music building black gate (directly across from the parking lot). There will be ample street parking available if the lots fill up.
- **Check-in is 45 minutes before show start time.** You will receive a ticket with your dancer's name (for 3-4, 5-6, and 7-9 year old classes), you will need this to pick your child up after the show. 10+/Teen dancers do not need to check-in and will be released to meet parents without a card.
- Please LABEL all of your child's items: snacks (WE ARE NUT FREE), water, shoes (on the inside), tights, and costume. Send them with a dance bag to contain it all. We are not held responsible for lost items. Having this prepared the night before will help reduce stress and help you not forget anything.

- The dancers will be there for a while; PLEASE make sure you send them with enough food and a water bottle. Nobody, but volunteers and staff are allowed past the check-in counter, so don't plan on bringing your dancer food or coming back to change them after they've been checked in.
- IF your dancer is in both Show 2 and Show 3, we will have pizza for them to eat in-between shows.
- **Our lost and found still has a lot of dance shoes and costumes... please check that your dancer has their dance shoes and costumes before we close at 2:30pm on Saturday 5/30. We will not be bringing the lost and found to the theater.**
- All students need to stay for the entire show. This shows respect for the hard work and dedication that they and their fellow dancers have put in all year. We ask that the adults show this same respect. No getting up and down out of your seats while dancers are on stage, this also makes for a better recital video and livestream. No one is available in-between dances to dismiss your child after their dance.
- For the 3rd show: If your child is in a 3-4 year old class, they need to be picked up at intermission from the greenroom. They will be allowed to sit with you in the audience and do not need a ticket. We recommend they stay to watch and be inspired by the older dancers!!
- No students in classes for 5 yrs+ will be released to guardians at any time other than after the finale. This is for the safety and organization of all performing.
- For security purposes during the 2nd and 3rd show, we will have staff to check-out your child from the greenroom once the show is over. Please be patient during this transition. Allow for the parents of little ones (5-6yrs) to pick up first. **ONLY ONE FAMILY MEMBER IS ALLOWED TO PICK UP TO AVOID OVERCROWDING.** Please arrange a meeting point for the rest of your family and friends to meet you and take pictures with your awesome performer away from the theater lobby and greenroom so we can prepare for the dancers checking in for the next show.
- **Please be kind to our volunteers and staff...they are just following procedures to keep your children safe and to keep the flow of the show going. They really are there to help and we appreciate them for it!!**
- **VOLUNTEERS: You should have already gotten an email specifically for you! If you can come by the studio to pick up your t-shirt on Saturday 5/30 between 1pm-4pm that will help make Sunday morning, go much more smoothly. They will not be ready before this.**
- **Flowers:** For your convenience, beautiful bouquets of flowers will be available for purchase, on-site, at the dance recital. **There is a discount for pre-ordering** ahead of time at: <https://www.thecommentgroup.com/allstarstudios/>
- The link to order tickets starting **Tuesday, May 26th at 7pm** and ending May 30th at 6pm is: <https://buy.tututix.com/allstarstudios> Please read before you click to buy your ticket and make sure it's the correct show.

- If you didn't get your pictures at rehearsal, Donner will be coming to the studio on **Tuesday, June 2nd from 3:30-7:30pm on the 3rd floor**. Online options will be available after June 2nd, but prices will be more expensive online. It's okay if you don't have your card, it just takes a little longer to find your family's pictures. For questions regarding online pictures please contact Donner Photography: 860-886-2475 / donner-photo.com
- **Livestream for the recital:** Will be sent out ASAP and posted on the website (not available until the day of the show) and the link to the actual edited recital videos will be available 4-6 weeks after the show.
- **Program:** We are trying to go paperless soon, but in the meantime, please only take one program per family. If you ordered dedications, we will have extra for you at the studio. There will be a QR code posted and the link to the program will also be on the website.
- Fall Schedule will be emailed out next week along with class levels, **BUT** registration does not start until Monday, June 8th at 8pm. DO NOT TRY TO REGISTER BEFORE THAT TIME... it will not be available. Summer registration has been open and is available!!

Thank you!!
