

We are so excited for our upcoming show!! We know all the information is overwhelming, but it's the only way to keep our families organized and safe!! We will be sending out specific 'day of recital' information once we've all made it through our mandatory dress rehearsal on Monday!! Just so you can plan, please know that your dancer should be checked in 30-45 min before show time on June 4th. A few important things to keep in mind about tickets and entering the theater:

- Tickets are \$20 each.
- Anyone that can hold a seat down on their own must have their own ticket. Basically 3yrs+. (Queens College Rule)
- If you are going to multiple shows, you need tickets for each separate show. We need to know exactly how many people are coming to each show to avoid over-selling.
- All dancers must stay for the entire show (whichever show your dancer is performing in) unless previously given permission. No more permissions will be granted unless it is a medical emergency at that time. Proof must be shown. If you come to the backstage area to try to take your child early, you will be turned away. This is for safety and security reasons.
- **Exception to the above rule:** 3-4 year olds in the 5pm show need to be picked up at intermission and taken into the audience. Those dancers and class parent volunteers won't need a ticket, but have your group save you a seat so you can watch the 2nd half! The little ones will greatly benefit from watching the older dancers perform!
- Seating is general admission and not assigned. This was demanded by Queens College, no matter how much we tried to fight it. Please do not arrive crazy early to line up. The theater is amazing and all of the seats are great!! I've attached a picture below so that you can have a better idea.
- There is not a limit to how many tickets you can buy, but there are no refunds, so please make sure you have someone for each ticket before purchasing. If you are unsure about somebody, they can purchase at the door.
- All tickets will be e-tickets on your phone and scanned at the theater door. Print outs will be accepted and scanned, but not encouraged. Any duplicate QR codes will be rejected.
- Tickets will be available at the door, but will be cash only and require exact change.
- The link to order tickets starting Saturday, May 20th at 10:30am and ending June 3rd at 7pm is: <https://buy.tututix.com/allstarstudios> Please read before you click to buy your ticket and make sure it's the correct show. An example of how the site will look is below.
- If there are any issues with your tickets, please do not contact the studio, but call TutuTix customer service at 1-855-222-2849 option 5.

We are so excited!!! Details about dress rehearsal will go out this weekend, please make sure you review the dress rehearsal day instructions before Monday. All of the info is and will be on our website: <https://www.allstarstudiosnyc.com/2023Recital>. All details are also posted on the studio walls and you can see emails that we've sent you through your parent portal!

P.S. If you are still confused about which show your child is in on June 4th, we put it on the schedule as soon as we release it in June. Look in the box each class is listed in and you'll see it. For an example:
